# the DREAMHOUSE

## Merry Christmas and a Blessed New Year!

As we reflect on Christmas, and the birth of our Savior, we are reminded of the sweet beginnings of life by all the "Dream House babies." Throughout this new endeavor, God spoke a special truth. These babies can actually save their lives. These precious ones can change the way they think. The choices they make. Their purpose. Their motivation. Their hope. Over 2000 years ago, a baby came into the world to save a people so in need of a Savior. As we celebrate His coming, year after year, He continues to bring change to the way we think. He defines our purpose. He brings hope.

This Christmas our prayer is that God will use these sweet babies to minister to their mothers' hearts and lead them in deeper levels to the Salvation that was birthed on the first Christmas.

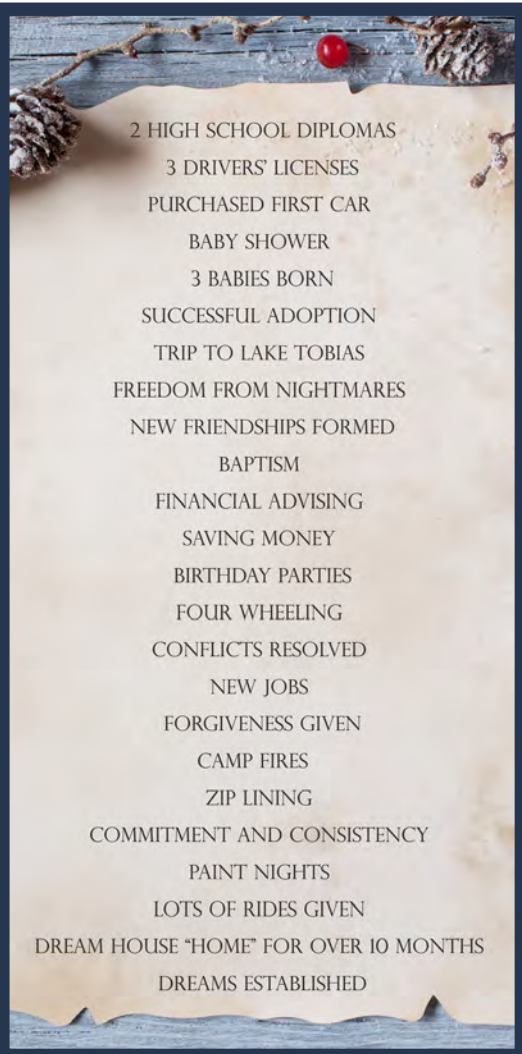

## 2022, A Year in Review

As we conclude 2022, we praise God for all the good happenings at the Dream House throughout the year...

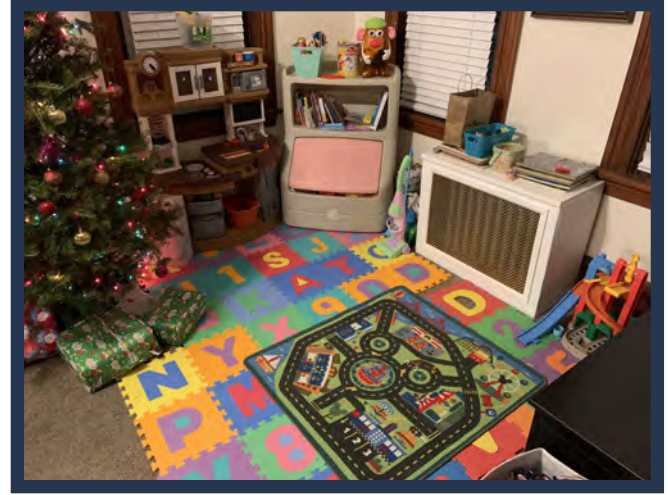

...and with anticipation we look forward to 2023, knowing that God will continue to move in powerful ways! It is because of people like YOU that we are able to say YES to the needs of these young ladies every day.

*Thank you for your support!*

This year at our 3rd Annual Event, we raised \$11,000! Thank you to all who came and enjoyed a fun evening in support of the Dream House. What a blessing to see a room buzzing with people, all a part of making this mission possible. Smiles and laughter (and some unexpected opportunities to take the stage) were amusingly brought by comedian and ventriloquist, Ryan & Friends. Feedback from our audience was, "He was just so funny!" and "My son has been reciting his jokes all day!"

The Dream House living room got an upgrade! As a result of the event, we were able to purchase a larger and comfier couch to beautify the home. Also, thanks to the generous donation of many toys, we created a play area in the living room for the little ones to enjoy. This will make it easier for their mothers to cook, do school work, or even just get ready to get out the door. The special area will also be used on Thursday nights to entertain all the children while their parents participate in Growth Group. We need volunteers to play with the children on Thursdays from 7pm-8pm. **Would you like to come play?** If you are interested, please email, call or text Anthony and he will be in touch with the next steps.
