# the DREAMHOUSE

When I was a young girl I told God, "I want to change the world." And He responded to me,  
**"You may not be able to change the world, but change THEIR WORLD!"**

And that set me on a life's mission...

If I could be used by God to change one person's life, **it would not only change them but the generations to follow.**

And here we are many years later...

As I look at this sweet boy's face, I get to witness that he has a mother who loves him like crazy, unlike the mother that birthed her. He has a mother who has overcome many obstacles and is continuing to confidently kick out anything that is trying to hold her back as she pursues the Lord with passion and zeal.

She has dreams, goals, **and the support to make them happen!**  
Her sweet boy is experiencing community and love.

He's seeing where hard work gets you.

He's living the reality of a hope she used to only dream about!

**Stay connected. Their worlds are changing!**
