# the DREAMHOUSE

## A Bigger Tank

**"Wow that's the same fish we have in our tank but it's really big!"** I commented. We were on an adventure with two of our ladies at the Baltimore aquarium.

It literally is the same fish. **But why is ours small and this one at the aquarium so big?** Because of the size of the tank. The fish grows based on its environment. And that's what we want to do at the Dream House.

**Expand the size of their tanks.** Through relationship with Jesus and good people. Through new experiences and positive memories. Through resources and accountability. They have the ability to grow in big ways. To see beyond their preset circumstance or past heart aches. To truly believe that anything is possible.

### A large tank full of Hope.

Another fun trip to the Baltimore Aquarium!

## 2026... A Year of Expansion!

*At our event, Shannon unveiled her vision of expansion...*

### The Dream House Playhouse!

*Let us paint a picture of the vision...*

"Our proposed program, which includes the purchase of an additional property, will expand the Dream House's current residential and supportive services by providing enhanced support to Harrisburg-area young people — and their children — facing significant challenges.

The new program will create a community-based hub that offers practical supports such as weekly family style meals, laundry facilities, free access to household essentials, life coaching, family mentoring, and meaningful social connection. By easing daily stressors and increasing access to resources, we will help stabilize families, empower individuals, and build stronger support networks across our community.

At the center of this work is the creation of dedicated space within the new facility for parents and children to play, learn, and connect in a safe, welcoming, joyful environment. These activities will strengthen relationships, build confidence, and support early childhood learning and development — all of which are critical to long-term resilience and healthy outcomes."

~Dream House Board Member, Ellen Shinn~

*Please pray with us for discernment, provision and open doors as we actively seek a new property to make this vision a reality!*

## Dream Teams :)

Instead of just the kids this month, we are showing some of the parents and kids who we want to create this Playhouse for.

Your support helps us give them a safe place to play and bond with their children!

We recently got to celebrate a very special little girl's 5th birthday with cake and an extra special doll!  
**Happy Birthday Faith!!**

We were able to have lunch recently with some very special ladies!! It is exciting to see how God is opening doors for *Elaysia* and we are so blessed to stay connected with her and watch her step into an exciting future!!
